AUTO PAY

With our Auto Pay program, you will not have to write another check to pay for your monthly communications bill. When you enroll, we will automatically deduct the "Total Amount Due" (found on your bill) from your checking account on the 5th of each month. You will continue to receive your monthly bill for review, but it will reflect 'Direct Payment Program' authorization, unless you choose e-bill only option.

I wish to use Electronic Banking

I (we) hereby authorize Comm1, hereinafter called COMPANY, to initiate debit entries to my (our) checking account indicated below, at the depository name below, hereinafter called DEPOSITORY, to debit some to such account on the fifth (5th) of each month.

This authority is to remain in full force and effect until COMPANY and DEPOSITORY have received written notification from me (or either of us) of its termination and/or bank account is discontinued, in such time and in such manner as to afford COMPANY and DEPOSITORY, a reasonable opportunity to act on it. The notification to the COMPANY should reach them prior to the 20th of the month with termination to affect the next month's billing. I understand that adequate account balances must be maintained by me for the auto pay debit on the 5th. If not, a fee will be charged to my account and the resulting non-payment could lead to disconnection of service.

For Verification purposes, a voided check must accompany this agreement.
